**Statement of Beliefs**

We believe in one God – Father, Son and Holy Spirit. He is the creator of everything. He is eternal, with no beginning and no end.

We believe that the Lord Jesus Christ is the son of God, that he was conceived by the Holy Spirit, born of the virgin Mary, walked and lived a perfect sinless life on this earth and was crucified, died, buried, resurrected, ascended into heaven where he now sits at the right hand of God the Father. He was both true God and true man.

We believe that every person lives eternally. While they exist on this earth, they make a decision whether they will live eternally in heaven or hell, and at their physical death they go to the place of their choice.

We believe that the Bible is the Word of God, written by man under the inspiration and direction of the Holy Spirit. It contains the covenant of God with man, and forms the basis on which God deals with man in every area of man's existence.

We believe in water baptism and in the baptism of the Holy Spirit.

We believe that the baptism of the Holy Spirit is separate from salvation, that it represents a super- natural empowerment by the Holy Spirit and is evidenced by speaking in tongues.

We believe in the personal return of the Lord Jesus Christ to this earth.
